

WELCOME NOTES

to include in gift baskets

Notes for your gift baskets don't have to be fancy. You can use some solid-color cardstock from a craft store, upcycle a greeting card, or just cut a shape out of printer paper. Here are some ideas for what to include in your message depending on the basket type.

Coffee and tea station:

There's nothing like a cozy drink in a mug to chase away the chill. We've stocked this station with coffee, tea, and hot cocoa, so help yourself to a beverage day or night. There is regular milk and plant-based milk in the fridge. If you run out of something and we don't notice, please let us know.

Kid zone:

Welcome to the kid zone! We've included games, cards, art supplies, and toys to make your visit extra fun. If you want someone to join you, just let us know. There are also some snacks for you to munch on if you get hungry. We're so glad you're here!

Bedroom:

Sometimes you just need to wind down away from the crowd. Feel free to enjoy these snacks and wine in your room, and let us know if you need a refill on anything. The Wi-Fi password is [____] and the printer name is [____] if you need to print any travel documents.

Bathroom:

Welcome to your home away from home! We are so happy you are here. Please help yourself to anything in the basket. If you are missing something that isn't included, don't hesitate to ask. Extra towels are in [____].
